

Tennessee is Believing Again in a Deeper Hope 2016 Christmas Offering

“And His name will be the hope of the entire world.” Matthew 12:21

The Regional Staff is Truly There When You Need Them

In April 2016, after a season of searching, the Christian Church in Tennessee affirmed the call of the Rev. Dr. Christal L. Williams. This was a historic moment because she is the first African-American and Woman to hold the position of Regional Minister and President in the Christian Church in Tennessee! It's our desire to be one region with three distinct and beautiful areas; to have deep and satisfying clergy connections; an effective Search and Call process; excellent Leadership Development, and continual Transformation.

The Regional Staff will provide these things and more, with the support, generosity, and partnership of the entire Regional church!

We need the investment of every Pastor and congregation, wherever possible, helping to lead the way to greater connection, and transformative Regional ministry. Today, we sincerely welcome those who have never given to the 2016 Christmas offering; this is your next opportunity to worship God through your financial generosity; and we thank those who have given in the past.

The CCTN Regional staff, volunteers and friends are committed to serving local congregations, Pastors, Clergy, laity, youth and young adults by providing---- **Awesome Camps and Retreats; Support to the Commission on Ministry; New Church Starts; guidance to Congregations when they need Pastors ; Outstanding Leadership Development; Strong Pastoral Care and Relationship Building; Opportunities for Global Connections in Haiti & other countries, and much more.**

Thank you, for giving as generously as you are able, to all the ministries we share together!

100% of your gifts to the Christmas Offering support the Tennessee Region.
