

Installation of Rev. Dr. Dietra Baker and Rev. Jeffrey McCune at Liberation Christian Church, a Congregation in Formation.

Our Inaugural joint men's retreat in partnership with the United Church of Christ.

We thank God for all of the opportunities, celebrations, and ministries we've experienced together this past year! The Mid-America Region has truly embraced the Mission First! movement and participated in mission like never before. Groups and gatherings like our Regional Assembly, Christian Regional Youth (CRY) Festival, and Disciples Men's Retreat have added mission discussion to their agendas and mission work to their schedules.

We ask for your continued support of these and **ALL** of our Regional ministries.

May the joy of Christ's birth be very real for you this season, and may God continue to bless our shared ministry here in Mid-America.
