Call to Worship – Jeremiah 29:11

Leader: Holy God, You promise us hope and a future that is good.
People: But our hope is clouded by worry and doubt!
Leader: This has been a season of change, loss, and the unknown.
People: Open our hearts to change! Comfort us in our loss! Be our steadiness in the unknown!
Leader: Holy God, may our future and hope be rooted deep in the Truth of Your goodness – may we be emboldened to seek the goodness of all Your people.

Call to Worship

Leader: Spirit of the Living God, you provide hope for a better tomorrow
All: Blow through our complacency and light the fire of hope deep within us
Leader: As you hovered over creation, hover over our assembly with creativity
All: Pour out new dreams, new visions from which we will build tomorrow
Leader: Empower us to extend and expand the ministry of Jesus Christ
All: Until Your Kin-dom comes in all its fullness, to the Glory of God!

Call to Worship

Let us come into the house of worship for a word of encouragement.
We are invited to live a life with plans to prosper.
A plan that is to be fulfilled with hope for the future
We have been called by the almighty God to trust and believe
A plan that declares no harm shall come unto us.
We delight in your promise to bring prosperity and peace.
A promise where there is the provision that had been placed inside us, that stands against the enemy!
We thank you that even when the enemy sends the bad things our way, we know that you are going to turn it all to our good.
God we look to you for direction in areas where we are uncertain. Make your will clear to us, show us the path of your perfect plan.
We earnestly seek you with our whole heart, knowing that your word says that when we seek you, we will find you, if we seek you with our whole heart.
