

Christian Church in

Kansas

There's no place like Kansas! From the small rural communities to the big cities the Christian Church in Kansas (Disciples of Christ) has a mission to connect and equip congregations, lay leaders, and clergy. When you give to the region through the Christmas Special Offering you support programs like:

- **Kansas Disciples Men** – Provides fellowship and encouragement to grow in faith, broaden spiritual horizons and develop local ministries.
- **Kansas Disciples Women** – Creates avenues for women to seek spiritual renewal and take part in ministry opportunities.
- **Kansas Disciples Youth** - Offers opportunities for high school and middle school youth to experience the transforming power of Christ in a community beyond their local congregations.
- **New Church and Transformational Ministries**— Works with established and forming churches to bring new life to their gatherings, expand their reach in their communities and imagine new possibilities.
- **Spiritual Priority Team** - Works to deepen spirituality, develop discipleship, and share strategies to growing in faith.
- **Summer Camps and Conferences Ministries** - The Disciples Center at Tawakoni hosts 200-400 campers and staff in age-appropriate camp programs and interest-based specialty camps.
- **KLC Partnership** - Kansas Leadership Center equips clergy and laity with the opportunity to receive leadership training for the adaptive challenges of church life today.
- **Tri-Regional Partnership Initiative** – Together the Kansas, Greater Kansas City and Nebraska regions explore the possibilities and benefits of collaborating on ministry efforts.

Give through your church, through ENGAGE, or the CCK Store at www.kansasdisciples.org
