ON THE HORIZON

Giving to the 2023 Christmas offering will enable the Regional staff to:

- Develop the ten congregational revitalization journeys initiated this year and expand to more congregations in 2024.
- Expand the generous new Church grants given this year to emerge into a region-wide new church development strategy.
- Empower Christian Youth Leadership Seminar to expand its reach to youth leaders in the CCSW and beyond.
- Encourage the emerging regional young adult ministry's mission retreats and initiatives.
