HELM
HIGHER EDUCATION & LEADERSHIP MINISTRIES

BRINGING STUDENTS AND RESOURCES TOGETHER

Thank you for your generous participation in this year's Thanksgiving Offering. Your congregation's support makes a direct difference in the lives of students and the schools that prepare them to serve the church and their communities.

For more than 130 years, Higher Education & Leadership Ministries (HELM) has supported higher education and theological formation across the Christian Church (Disciples of Christ). Today, HELM partners with 15 colleges and universities and 7 seminaries and divinity houses connected with our denomination.

Your Thanksgiving Offering gifts go directly to these schools to support their students and educational ministries. These funds help provide scholarships, financial assistance, and resources that make a Disciples education more accessible to students preparing for lives of service and leadership.

At a time when the cost of education continues to create significant challenges, your generosity helps remove financial barriers and helps nurture the next generation of Disciples leaders.

Thank you for your faithful generosity and for investing directly in the future of our church through our colleges, universities, seminaries, and divinity houses. We are deeply grateful for your partnership and commitment to the education and formation of Disciples leaders.
